LUXURY HOUSEHOLD BUILDINGS AND CONTENTS

We can offer:

- Flexibility to suit your specific requirements
- Some of the widest covers available in the insurance market
- Valuation and risk appraisal services, if required
- Substantial discounts for increased excesses
- Prompt and fair settlement of claims
- Help, information and assistance at any time of the day or night
- Premium which reflect the care you have taken to secure your home

Insuring your house, which is often your most valuable asset, takes time and care and with our help your cover can be reviewed so that it fits with your specific requirements. Household insurance should never be simply renewed each year without question.

Our Private Client division provides specialist cover for high net worth individuals requiring bespoke cover for more valuable possessions:

- High Value Properties and Contents
- Fine Art and Antiques
- Jewellery and Treasured Collections
- Overseas Property
- 'All Risk' Cover - Worldwide

Standard Household insurance policies are simply not designed to offer the specific protection needed by those with substantial personal assets.

Owners of high value homes are consistently shocked when taking an inventory and realising the total value of the contents and possessions they have accumulated.

LUXURY PLEASURE CRAFT

Milne Alexander has a number of insurers that provide an excellent cover for your luxury pleasure craft or motor yacht.

We can provide agreed value, choice of repairer and the confidence that you know in the event of a mishap, you will be completely protected.
