Cover is provided for your trials Worldwide, providing high Limits of Liability, tailoring an insurance programme to suit the unique requirements of your organisation and you only need to declare Clinical Trials on an annual basis. This means there is automatic acceptance of any new Clinical Trials through the period of insurance.

Milne Alexander is supported by some of Australia's largest corporate insurers in providing cover for our range of products which include the following;

- Clinical Trials Insurance / Professional Indemnity
- Public & Products Liability
- Directors & Officers Liability
- Statutory Liability
- Employment Practices Liability
- Voluntary Workers
- Property Insurance
- Corporate Travel
- World wide cover including USA
- High Limits of Liability

"together we grow"
